Hybrid Solar Wind Generation System

EE 491 Weekly Report 1

9/8/2014

Group: May15-21

Advisor: Venkataramana Ajarapu

Client: Venkataramana Ajarapu

Team members (roles currently undecided):

- Daoxi Sun
- Riley O'Connor
- Trevor Webb
- Shihao Ni
- Xiaokai Sun
- Ben Ryan

Our first meeting was in class, where we get to know each other and exchanged contact information. All team members were present. We decided to use Google Docs as the primary method of storage and work on documents.

We also contacted our advisor, Dr. Ajarapu, in order to establish a weekly meeting time for the semester. The meeting time will be Wednesdays at 5 pm. This week will we meet and discuss preliminary project information. We will also determine roles for the group.
